OF CHAMPAIGN
COUNTY**

ENGRAVED BRICK FUNDRAISER

Help us celebrate 30 years of building homes, communities, and hope!

Since 1991, Habitat for Humanity of Champaign County has been building safe, decent, and affordable housing with local families in the community. To date, 115 homes have been built in Champaign County, transforming the lives of the families who helped build them and revitalizing the neighborhoods in which they are built. While 115 homes over 30 years' time is an amazing accomplishment, there is still a great need for more affordable housing options in the Champaign-Urbana community....and by supporting our fundraiser you can help make that happen!

By purchasing an engraved brick, you are making a donation to Habitat for Humanity of Champaign County and helping make a local family's dream of home ownership a reality. Our goal with this fundraiser is to raise \$50,000 by the end of 2021, which would then be used to fund a 2022 house build. All the engraved bricks will be used to create a new patio space in the Habitat Community Garden...a garden space that we created in one of the neighborhoods where we frequently build, in order to increase residents' access to healthy fruits and vegetables.

Please support our fundraiser and help us build hope.... brick by brick!
