

2022 Sponsorship Opportunities

Everyone deserves a decent place to live
...including man's best friend!

Raise the Woof! is a competitive pet habitat building event, benefiting Habitat for Humanity of Champaign County. Last year, 18 teams came together to build their best version of a dog (or cat!) house, and in the process raised over \$25,000 to fund the creation of affordable housing. This year's event, **Raise the Woof!: A Home 4 All**, is the fourth year of this super fun building competition. It is taking place on **Saturday, September 17th** and promises to be even more fun, as teams can choose to build a dog, cat, OR small animal habitat....the sky is the limit!

Sponsors are crucial to the success of an event like Raise the Woof! as sponsorship dollars cover event expenses, meaning that every dollar raised via Raise the Woof! can go towards funding Habitat's mission of building homes, communities, and hope.

All sponsors receive valuable advertising and marketing opportunities, plus your business can help make our community a better place! Higher levels of sponsorship include sweet Habitat swag and a waived build team entry fee, giving your business the opportunity to engage employees in a day of valuable team-building experience.
